“We’ve seen ORMUS levitate, pass through matter, vanish, then reappear.” — Barry Carter

- ORMUS** has both sub-atomic and material properties and behaviors.
- ORMUS** can heal. It can transform people physically, emotionally, and spiritually.
- ORMUS** seems to regenerate human and animal tissue.
- ORMUS** is the White Powder of Gold and may have been the Philosopher’s Stone, Paradise Stone, biblical manna, and Egyptian shewbread.
- ORMUS** increases yield and growth of plants and crops.
- ORMUS** you can make it yourself.

Noted lecturer Barry Carter will speak on the history and implications of this fascinating substance, and give step-by-step instructions for the “wet method” of making ORMUS.

This information can change your life.
